

Product: Tacky Indigo

Category: Small Format Digital | Self Adhesive

Country of Origin: United States of America

Technical specifications:

White Wall Graphics

Facesheet

Type: 150micron Matt White Wall Graphics Vinyl

Thickness: 350micron

Release liner

Type: Kraft PE

Weight: 170gsm

Thickness: 180micron

Adhesive

Type: Ultra Removable

Minimum application temperature: -6°C

Temperature range: -23°C to +60°C

General

Shelf Life: 1yr stored 21°C & 50% relative humidity

Durability: Up to 2 years (indoors)

These characteristics are average values supplied for guidance purposes

Certificates

- HP Indigo certified

Applications Include

Perfect for printing with HP Indigo technology, this product is intended for indoor applications. Ideal for interior marking in decal applications requiring easy removal from smooth walls. Use on smooth, dry, cleaned and flat surfaces. Excellent water resistance & good for most petroleum solvents and lower aliphatic alcohols.
