

Product: Supa CtP Plate Cleaner

Category: Press Chemistry

Product Description & Application

SUPA CtP Plate Cleaner is a premium, white emulsion plate cleaner and conditioner for CtP and analogue plates.

Features & Benefits

SUPA CtP Plate Cleaner is compatible with all types of plates except for unbaked positive plates. Instantly removes scum & ink. Completely desensitises non-image areas; for trouble-free plate performance.

Usage Instructions: Shake the bottle well and apply to plate surface with a damp sponge. Wash off the residue with a damp sponge and continue printing.

SUPA CtP Plate Cleaner can be used for washing away ink from the plates prior to storage and during the routine plate cleaning operations. For best results, use on damp plate.

Storage, Handling & Packaging

Storage & Handling: Store at moderate temperatures in a dry, well-ventilated area, away from direct sunlight. Keep the containers tightly closed when not in use. The use of gloves is recommended.

Packaging: 1 litre

Precautions: Avoid contact with skin and eyes. Keep away from sources of heat, sparks, open flames and static electricity charges.

Code No: 138425 1lt
