

Digi Ready - Voidable Wristbands

A colourful range of wristbands which can be personalised using a standard laser printer.

Designed for maximum flexibility, once printed each individual wristband can be removed from the backing liner and either used immediately being applied to a wrist or distributed via post. With highly visible tamper evidence - which is activated when the wristband is removed. The wristband cannot be re-applied without this being apparent.

- ✓ Weather resistant, hard-wearing and pliable
- ✓ Lightweight, easy to wear
- ✓ Pre-printed in a comprehensive range of stock colours: Blue, Green, Orange, Pink, Red, Yellow & White
- ✓ These wristbands are recyclable
- ✓ Available in – 289gsm, 220ums | 297gsm, 220ums
- ✓ A4 and SRA3
